Signature Experiences

Indian African ritual therapies have been used for hundreds of years, boosting health and healing. Our signature experiences utilise age old wisdom and natural ingredients, combined with the latest technologies.

Our Journey Through Africa – Uhambo (90 min)

R 1 595

This soul-reviving ritual combines unique massage techniques and Himalayan salt crystals, African rungu and calabash. Eases away muscular aches and tension by improving circulation and stimulation.

A Change of Season Ritual – Inkathi Yonyaka (120 min)

R 1 930

Begin with a full body exfoliation, followed by an Earth wrap that utilises tribal wisdom incorporated in the indigenous ingredients. Improve circulation, rejuvenate and re-mineralise your skin, activated by the warming humidity of the Hammam. Shower off and cool in the sensation mist shower. Follow with a 45 minute sensory African back massage featuring heated stones or heated Himalayan salt crystals to ensure complete deep relaxation.

The Hammam Ceremonies

In centuries past the Hammam was known as the ‘silent doctor’ – a place of cleansing and healing for both body and soul. Indulge yourself in traditional Middle Eastern treatments while your imagination takes you on a mystical journey into the past that traces its roots back to the Roman Thermae. Wraps and bathing suits required. A Hammam session can be added to any spa treatment.

The Oriental Hammam Ceremony / Turkish Hammam (50 min)

R 1 015

A deep cleansing ritual using black olive soap and a Turkish mitt to exfoliate the dead cells. Leaves skin looking radiant – you feel completely cleansed and invigorated.

The Oyster Box Hammam Ceremony / Durban Hammam (75 min)

R 1 375

Absorb the humidity and soften your muscles prior to a 30 minute back massage. Heated lemons are used to penetrate to the core of sore and tired muscles. As the lemons soften, they burst and release fresh natural citric acids to exfoliate and condition. We cleanse using cane sugar and coconut oil to invigorate your skin, eliminating excess skin cells and leaving skin supple and full of nutrients.

Hammam Heat Session – Private session in the Hammam

The relaxing humidity of the Hammam and cooling Rain Forest mist shower are a treatment in themselves. Book for pre-massage relaxation or post gym de-stress.

Reflexology (30 min / 60 min)

R 615 / R 950

The age old tradition of pressure point stimulation, Reflexology is the massage of the feet. The feet are divided into zones that represent the whole body. The massage of the nerve endings situated at the bottom of the feet triggers off a response in the body. Thorough stimulation of all reflex areas of the feet reduces stress and tension and creates a space in the recipient's body for healing to take place.

Reiki (60 min)

R 990

A Japanese technique for stress reduction and relaxation that promotes healing. Administered by "laying on hands" and is based on the idea that an unseen "life force energy" flows through us and is what causes us to be alive.
